INDEX TO VOLUME XVI

1934

OLD SERIES VOLUME XXXII

AUTHORS

A

PAGE

Adams, Z. B. Tuberculosis of the Spine. A Study of One Hundred Cases 200
Alexander, Howard, and **Fine, Archie.** Maggot Therapy. Technique and Clinical Application 572
Allen, Arthur W. Fractures of the Patella 640
Anderson, Roger. Fractures of the Radius and Ulna. A New Anatomical Method of Treatment 379
Argy, William P. Arthritis: Treatment with Sulphur by Intravenous and Intramuscular Injection 909
Asami, Goichi; Ito, Hiromu; and **Tsuchiya, Junichi.** A New Radical Operation for Pott's Disease. Report of Ten Cases 499

B

Bailey, William H. A Modification of Skeletal Traction in Fractures of the Long Bones. Report of Three Cases 709
Barber, C. G. Ultimate Anatomical Modifications in Amputation Stumps 394
Barber, C. G., and **Todd, T. Wingate.** The Extent of Skeletal Change after Amputation 53
Barker, Lewellys F. Removal of a Parathyroid Tumor in a Fibrocystic Osteopathy 435
Barr, Joseph S. The Treatment of Surgical Tuberculosis with Splenic Extract .. 173
Bauman, G. I. Rupture of the Biceps Tendon 966
Bennet, Knut, and **Hinricson, Harry.** A Case of Tuberculous Infection of the Knee with Clinical and Roentgenographic Appearance of Charcot's Disease 463
Bennett, George E.; Krida, Arthur; Phemister, Dallas B.; Rugh, J. Torrance; and **Osgood, Robert B.** Undergraduate Instruction in Orthopaedic Surgery. Report of Committee Appointed by the American Orthopaedic Association 739
Berry, Milton H. The Screw-Driver Exercise as a Corrective Assignment in Arm Paralysis as the Result of Poliomyelitis 454
Black, B. Marden. A Large Bilocular Synovial Bursa in a Plantaris of Man 919
Blanco, Pio. Bone Wedge "Hammer" Used in Arthrodesis of the Sacro-Iliac Joint 726
Bosworth, David M. Autogenous Bone Pegging for Epiphysitis of the Tibial Tubercle 829
Bowers, R. F. A Report of Forty Cases of Fracture of the Vertebrae without Cord Symptoms 583
Boyd, Douglas. Knee-Joint Visualization. A Roentgenographic Study with Iopax 671
Bozsan, E. J. A New Treatment of Intracapsular Fractures of the Neck of the Femur and Legg-Calvé-Perthes Disease. Technique 75
A New Attempt at Treatment of Chronic Osteomyelitis 895
Bozsan, E. J., and **O'Kane, Thomas J.** Treatment of Osgood-Schlatter Disease with Drill Channels 290
Brav, Ernest A., and **Hench, Philip S.** Tuberculous Rheumatism. A Résumé .. 839
Brogden, W. E. Two Cases of Postoperative Secondary Tuberculous Disease of the Spine 473
Brown, Lloyd T., and **Kuhns, John G.** Mechanical Instability of the Shoulder Joint in Relation to Prevention and Treatment of Painful Shoulders 88
Burman, M. S.; Finkelstein, Harry; and **Mayer, Leo.** Arthroscopy of the Knee Joint 255
Burman, Michael; Weinkle, Isaac Newton; and **Langsam, Maurice J.** Adolescent Osteochondritis of the Symphysis Pubis. With a Consideration of the Normal Roentgenographic Changes in the Symphysis Pubis 649

C

Campbell, Willis C. Endothelial Myeloma. An Analysis of Cases 761
Carlucci, Gaston A. Rupture of the Quadriceps Extensor Tendon. A Case Report 456
